REPLY TO SUPPLEMENTAL NOTICE OF ALLOWABILITY

Further to Applicant's Reply to Notice of Allowance mailed on February 10, 2004 and in response to the Supplemental Notice of Allowability that was mailed on April 16, 2004 in connection with the above-captioned patent application, Applicant submits that this case is now in condition for issuance. Applicant's drawings filed March 19, 2002 have been accepted by the Examiner, and the issue fee, fee for patent copies, and completed Form PTOL-85 were previously submitted by Applicant on February 10, 2004.

In response to the Examiner's Reasons for Allowance, Applicant points out, for

the record, that he disagrees with the Office's decision to require the narrowing of the present claims, and a continuation application has been submitted with claims of the scope originally presented and allowed in this case.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 9 June 2004
